Aspiring computer science student with a passion for technology and problem-solving. Proficient in programming languages like Python, C, SQL, web development and C++. Eager to apply theoretical knowledge and gain practical experience through internships or projects. Strong analytical and communication skills. Enthusiastic about contributing to innovative solutions in the field of computer science

Work Experience

Currently a student

Pursuing BCA Third Year

Nashik

CGPA 9/10

I have worked on project named Image encryption technique. It is about to encrypt the image into random combination of characters, number etc. This project has been built by using c++ language. This project is a strong tool for security purposes.

Skills

C (programming language)

C++

SQL

Python

DBMS

Web development

HTML

Education

K.R.T Arts,B.H Commerce And A.M. Science College

Bachelor's

Computer Science
